Assurance statement Modulpac GHG Accounting 2025

Initial issuance date: 06-18-2026

This letter of assurance affirms that 2050 Consulting AB has audited Mopulpac´s Greenhouse Gas (GHG) accounting and reporting, for the period of 1 January 2025 – 31 December 2025, conducted by Modulpac for their operations and selected parts of the value chain. The selection of reported categories in scope 3 is based on a scope 3 screening which has been audited and found adequate by 2050 Consulting. Therefore Modulpac´s GHG reporting for 2025 includes all significant GHG emissions. The reported GHG emissions, as calculated by Modulpac, after adjustments as a result of the audit which follows ISO 14064-3, are presented below.
